

## Press Release

### Alta in Ibiza

© Sarah Moon. Fashion 07 Stockings, 1997.

We are delighted to present our first private exhibition this summer in *Ibiza*.

Our friends and art lovers, *Paul Surridge*, fashion designer, and *Rodrigo Izquierdo*, interior designer, will generously host the exhibition in their new summer home designed by Rodrigo's eponymous studio.

On view there will be a selection of photographs by *Saul Leiter*, *Joel Meyerowitz*, *Ray K. Metzker*, *Sarah Moon*, *Bruce Weber* and *Txema Yeste*.

Alta is a platform for real life encounters, a crossroads of artists and of art lovers.

We show only what we love, stimulating a dialog with inhabited spaces to share an authentic experience.
